

## About the *Voices of Naples* Vocal Music Scholarship

Over the past fifteen years, *Voices of Naples* has awarded \$51,000 in scholarships.

Once again, *Voices of Naples* is offering up to \$3,000 in vocal music scholarship awards to graduating seniors from Collier and Lee Counties who plan to pursue a college major associated with vocal music. The award is intended to encourage the student to continue the study of vocal music at a college or university. Scholarship recipients may also have the opportunity to reapply for a continuing scholarship.

Established in 2002, *Voices of Naples* is a community chorus organized as a Florida not-for-profit corporation and designated as a 501©(3) charitable organization. The group consists of a paid musical director, board of directors, and approximately seventy-five volunteer singers of all ages. The members are selected by referral and audition. Performance venues have primarily been at local churches, and repertoire ranges from classical to jazz, with divisi from two to twelve parts.

The mission of *Voices of Naples* is the following:

- to present a gift of quality choral music to the community that is uplifting to the audience and the choral ensemble,

- to provide an opportunity for singers to learn choral techniques and to study various types of choral literature,

- to provide scholarship opportunities for student vocalists, and

- to provide opportunities for the choral ensemble to perform in concert.

*Voices of Naples* rehearses from mid-October through early April. Annually, in November, the group hosts a "Sing-Along" *Messiah*, using chamber orchestra and professional soloists. Also, *Voices* presents at least two spring concerts in the February/March time-frame. Scholarship winners are encouraged to perform at our spring concerts. Our February 26, 2023 concert will be held at Naples United Church of Christ in Naples, FL beginning at 3:00 p.m..
